## King's Lynn Edward Benefer Way to Lynnsport Access Road

### *Update No. 3*

The majority of kerbing has been completed between Front Way (Bawsey Drain) and the Lynnsport service area. The kerbing has also been completed for the new northern car park access.

*Kerbing, showing road alignment*

Sections of the concrete pipe are being laid in the large ditch which runs between Reid Way and Spencer Road, these works require large trench boxes to protect the construction team during installation.

*1.8m internal diameter concrete pipe*

The new access road and car park drainage systems outfall through oil interceptors before entering into the water table. There are five oil interceptors being installed as part of this scheme.

*Oil Interceptor*
