

27th May 2016

King's Lynn Edward Benefer Way to Lynnsport Access Road

Update No. 5

Bawsey Drain has now been filled with material, this will provide a platform for the piling rig which is required for the new culverts foundations. The water is being pumped around the area.

Bawsey Drain new culvert location

The new island at the junction of Edward Benefer Way / Hamburg Way has been constructed and trenches for the new traffic signals are being progressed.

New Island with tactile paving

Trench for traffic signals (for detector loops)

The northern car park has been built-up with its sub-base for the car park construction and kerbing is beginning defining its layout.

Northern car park

The Internal Drainage Board (IDB) scheme has progressed with sheet piles being driven into the site.

IDB pumping station works
