

**Application under the Environmental Permitting (England and Wales) Regulations 2010 (as amended)**  
**Ref: SWIP001**

The company known as Freedom Resource Conversion Ltd has applied to the Borough Council of King's Lynn & West Norfolk to operate a Small Waste Incineration Plant under Section 13A of the Environmental Permitting (England and Wales) Regulations 2010 (as amended) at Freedom Farm, Cowles Drove, Hockwold, Thetford, IP26 4JQ.

The process detailed in the application is considered to be a 'Small Waste Incineration Plant' under the legislation but it should be noted that the pyrolysis of plastic is a thermal treatment to convert the plastic into liquid oil.

**Tell Us What You Think**

A copy of the permit application can be viewed on the Council's industrial pollution control webpage at:

[https://www.west-norfolk.gov.uk/info/20097/pollution/104/industrial\\_pollution\\_control](https://www.west-norfolk.gov.uk/info/20097/pollution/104/industrial_pollution_control)

Or at the Borough Council of King's Lynn & West Norfolk's offices in King's Lynn:  
King's Court  
Chapel Street  
King's Lynn  
Norfolk  
PE30 1EX

Please note that the Council offices are closed from 24 December 2016 to 2 January 2017 inclusive.

Any requests for further information, or written representations should be sent to Kate Penn (Senior Environmental Quality Officer) at [ehandhenvironmentalquality@west-norfolk.gov.uk](mailto:ehandhenvironmentalquality@west-norfolk.gov.uk), or to the above address, by **Friday 27 January 2017**.

Any representations made to the Borough Council of King's Lynn & West Norfolk will be placed on the public register unless the person making the representation requests, in writing, that it is not. Where such a request is made, the Council will place a statement on the public register indicating that a representation has been made with a request that it is not placed on the public register.
