Where an animal welfare premises conducts more than one licensable activity on the same licence, only one initial application fee will be payable.

This will consist of the highest activity application fee combined with the additional activity fee. For example, a premises that breeds dogs and boards dogs will pay £215.00 (£175.00 + £40.00) upon initial application, plus the additional compliance fees depending on which star rating has been achieved after the first inspection.

The application fee will be £215.00 and the compliance and enforcement fee for a 1 year licence will be £244.00 (£194.00 + £50.00), a 2 year licence £344.00 (£284.00 + £60.00) or a 3 year licence £444.00 (£374.00 + £70.00).

Where the 2018 regulations require inspection of a premises by a veterinarian, the full cost of that inspection is payable by the premises licence holder/applicant in addition to the figures in the table above.

If an existing premises licence holder requests a re-inspection or variation to their licence the inspection re-rating & variation fee will apply before such an inspection is carried out.
