Discover the wildlife of the Gaywood River

Join Norfolk Rivers Trust and Norfolk Wildlife Trust for some crafty, free fun. Find out more about the wildlife that lives in the river and create something to take home so you always remember how important our rivers are.

Buzzing Bees

Join Norfolk Wildlife Trust as we explore the buzzing bees of the Gaywood River. This week our experts will help you find and identify bees. You'll also be making seed bombs to start your own wildflower meadow at home.

Feed the Birds

Join Norfolk Wildlife Trust as we explore the birds of the Gaywood River. This week our experts will help you find and identify garden birds. You can also make a bird feeder to take home.

Fantastic Minibeasts

Join Norfolk Wildlife Trust as we explore the fantastic minibeasts of the Gaywood River. This week our experts will help you find and identify minibeasts. You can also make a bug home to take home.
