NOTES

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with section 78 of the Town and County Planning Act 1990, within six months of the date of this notice. The secretary of State has the power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the Development Order, and to any directions given under the Order.
- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the county or district in which the land is situated a purchase notice requiring that Council to purchase his interest in the land accordance with Section 137 of the Town and County Planning Act, 1990.
- (3) In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 114 and 115 of the Town and Country Planning Act, 1990.
- (4) Any planning permission is subject to compliance with the byelaws (Local Acts, Orders, Regulations) and general statutory provisions in force.

Appeals must be made on a form which is obtained from the Planning Inspectorate, Tollgate House, Houlton Street, Bristol, BS2 9DJ.

Location: Abbey Pit, Coxford

Conditions:

1. This permission shall expire on the 15 September 2010 and unless on or before that date permission is granted for its retention:-
 - (a) the use hereby permitted shall be discontinued;
 - (b) the buildings, plant and machinery shall be removed;
 - (c) the said land shall be restored in accordance with condition 13 on planning permission 2/91/1877 dated 15 September 1995.
2. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any Order revoking and re-enacting that Order), no buildings, plant or machinery, nor structures of the nature of plant or machinery shall be erected on the site, except with permission granted on an application under Part III of the Town and Country Planning Act 1990.
3. No plant or machinery shall be used on the site unless it is maintained in a condition whereby it is efficiently silenced.
4. No operation authorised or required under this permission shall take place on Sundays or public holidays, or other than during the following periods:-

07.00 - 18.00 Mondays to Fridays;
07.00 - 13.00 Saturdays.
5. Any drums and small containers used for oil and other chemicals on the site shall be stored in bunded areas which do not drain to any watercourse, surface water sewer or soakaways and all oil or chemical storage tanks, ancillary handling facilities and equipment including pumps and valves shall be contained within an impervious bunded area of at least 110% of the total stored capacity.

The reasons for the Council's decision to authorise the development subject to compliance with the conditions herein before specified are:

1. To ensure the proper and expeditious restoration of the site.
- 2 - 4. To protect the amenities of the surrounding area.
5. To safeguard hydrological interests.
