Details	Site for construction of bungalow		

Part II - Particulars of decision

The Council hereby gives notice in pursuance of the Town and Country Planning Act 1990 that **permission has been refused** for the carrying out of the development referred to in Part I hereof for the following reasons:

- 1 The Norfolk Structure Plan states that in other villages, as defined in Local Plans, housing development will be limited to individual dwellings or small groups of houses which enhance the form and character of the village and its setting. Any significant incremental expansion of villages should be avoided. The proposal does not meet these criteria and would consequently fail to accord with Policy H.7 of the Norfolk Structure Plan 1999.
- 2 The Local Plan states that in settled or built-up areas of towns or villages, development which has regard for and is in harmony with the building characteristics of the locality will be permitted in the distinctive area defined on the Proposals Map as Built Environment Type D. Development which damages the appearance of its built surroundings will not be permitted. The proposal does not meet these criteria and would consequently fail to accord with Policy 4/18 of the King's Lynn and West Norfolk Local Plan.
- 3 The applicant has not demonstrated that an adequate highway access can be achieved. Failure to provide adequate access will cause undue interference with the safety and convenience of the users of the adjoining highway.

Continued...

- 4 The Development Plan seeks to limit housing development outside towns and villages to those dwellings needed in connection with agriculture, forestry, organised recreation or tourist facilities or the expansion of existing institutions. The proposal does not meet these criteria and it would consequently be contrary to the provisions of Policy H8 of the Norfolk Structure Plan and Policy 8/6a of the King's Lynn & West Norfolk Local Plan.

Part II - Particulars of decision

The Council hereby gives notice in pursuance of the Town and Country Planning Act 1990 that **permission has been refused** or the carrying out of the development referred to in Part I hereof for the following reasons:

- 1 The proposed industrial unit, by virtue of its unspecified industrial use, its size and scale, would be detrimental to the visual and residential amenity of the locality and would therefore be contrary to Policies 9/29 and 9/31 of the King's Lynn and West Norfolk Local Plan 1998.
- 2 The proposed industrial unit, by virtue of its village location and unspecified use or occupancy, would be contrary to Policies EC1, EC3, EC4, and T5 of the Structure Plan in that it is not of a small scale, and is not shown to benefit the local rural economy. In consequence, the proposal cannot comply with the overall strategic policy of sustainability as expressed in Policy CS1 of the Structure Plan and Policy SS7 of the Local Plan 1998.

Refusal of Planning Permission

Part I - Particulars of application

Applicant	J H Green and Sons Willow Tree Farm Wheatley Bank Walsoken Wisbech	Received	06-JUL-1999
Agent	Peter Humphrey Associates 18 Chapel Road Wisbech Cams PE13 1RF	Location	Land south of Denholme off Lynn Road
		Parish	Walsoken
Details	Site for construction of dwelling		

Part II - Particulars of decision

The Council hereby gives notice in pursuance of the Town and Country Planning Act 1990 that **permission has been refused** for the carrying out of the development referred to in Part I hereof for the following reasons:

- 1 The Norfolk Structure Plan (Policy H6), the Norfolk Structure Plan Review (Policy H8) and Local Plan (Policy 8/6) state that outside villages permission will only be granted for new residential development where it is justified for agricultural, forestry, organised recreation or tourist facilities. The proposal does not meet these criteria and is consequently contrary to the provisions of the development plan and prejudicial to County strategy.
- 2 To permit the development proposed would result in the consolidation of an undesirable ribbon development away from the village centre and create a precedent for similar development which would cumulatively to the loss of the pleasant semi-rural character and appearance of the area.
