Part II - Particulars of decision

The Council hereby gives notice in pursuance of the Town and Country Planning Act 1990 that **permission has been granted** for the carrying out of the development referred to in Part I above in accordance with the application and plans submitted **and as modified by letter and plans from agent dated 6th September 1999** subject to compliance with the following conditions :

- 1 The development hereby permitted shall be begun within five years from the date of this permission.
- 2 Before the start of any development on the site full details of all the external building materials shall be submitted to and approved by the Borough Planning Authority.
- 3 Before the start of any operations on the site, including site clearance, a scheme for the landscaping, at a scale of not less than 1 : 500 and showing a north point, of the development shall be submitted to and approved in writing by the Borough Planning Authority. The scheme shall include details of all existing trees and hedgerows on and abutting the site and those which are to be removed (if any). All planting, seeding and turfing shown on the approved scheme shall be completed within 12 months of the commencement of building operations (or such other period or phasing arrangement as may be agreed in writing by the Borough Planning Authority). Any plants which within a period of 5 years from the completion of the development, die, or are removed, or become seriously damaged or diseased shall be replaced in the following planting season, with plants of same species and size.

The area of land to the north and west of the application site and outlined in blue on the submitted plan number 100B (dated 6.9.99) shall not be served with vehicular access to Queen Elizabeth Avenue via this application site.

ont

- 5 Before the start of the development, facilities shall be provided to enable vehicle wheels to be washed prior to the vehicle entering the public highway. Such facilities shall be used as necessary to prevent extraneous material being carried onto the highway.
- 6 Prior to the commencement of use of the nursing home hereby approved, the parking, turning and servicing areas shall be laid out, surfaced and drained to the satisfaction of the Borough Planning Authority.
- 7 Prior to the commencement of any development, a scheme for the provision and implementation of surface water drainage, shall be submitted and agreed in writing with the Local Authority. The works/scheme shall be constructed and completed in accordance with the approved plans.
- 8 Prior to the commencement of any development, a scheme for the provision and implementation of contamination investigation and remediation shall be submitted and agreed in writing with the Local Authority. The works/scheme shall be constructed and completed in accordance with the approved plans.

The Reasons being:-

- 1 Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.
- 2 To enable the Borough Planning Authority to consider such details in the interests of visual amenity.
- 3 To ensure that the development is properly landscaped in the interests of the visual amenity of the locality.
- 4 In the interests of highway safety and the capacity of Queen Elizabeth Avenue being such that it would not be capable of serving significant increased vehicular movements relating to new/additional development.
- 5 In the interests of highway safety.
- 6 To ensure the satisfactory provision of access and parking arrangements in the interests of highway safety.
- 7 To ensure a satisfactory method of surface water drainage.
- 8 To ensure a satisfactory method of pollution control and to safeguard and protect the development and occupancy of the buildings from any potential hazardous situation.

Borough Planning Officer
on behalf of the Council
2-NOV-1999

Notes

1. Please find attached letter dated 29.7.99 from the Environment Agency.
2. It is considered that the development hereby approved is of a type to which the relevant section of the following apply:
 - (a) The Chronically Sick and Disabled Persons Act 1970
 - (b) Code of Practice for Access for the Disabled to Buildings (BS 5810: 1979)
 - (c) Design Note 18 'Access for the Physically Disabled to Educational Buildings.
3. King's Lynn IDB inform that the area is subject to a high water table. Surface water should be directed to Boards main drain. Development contribution will be required. No development within 3 m of drain.

Part II - Particulars of decision

The Council hereby gives notice in pursuance of the Town and Country Planning Act 1990 that **outline planning permission has been granted** for the carrying out of the development referred to in Part I above in accordance with the application and plans submitted to compliance with the following conditions :

- 1 Application for the approval of reserved matters specified below shall be made within three years from the date of this permission (otherwise the permission lapses); and the development shall be begun within five years from the date of this permission or two years from the final approval of the reserved matters, whichever is the later date.
- 2 Before the start of any development on the site full details of the siting, design and external appearance of any buildings/structure, the means of access thereto and the landscaping of the site, shall be submitted to and approved by the Borough Planning Authority and the development shall conform to such approved details.
- 3 This permission shall not be taken as an approval of any details which may be shown on the approved plans unless they have been stated in the application to form an integral part of the application.
- 4 No development shall take place until there has been submitted to and approved by the Local Planning Authority a scheme of landscaping which will include indications of all existing trees and hedgerows on the land and those to be retained, together with measures of their protection in the course of the development.

Continued

- 5 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of five years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority give written consent to any variation.
- 6 The development hereby permitted shall not be occupied before close boarded fences have been erected on the boundaries of the site in accordance with details to be submitted to and approved by the Local Planning Authority.
- 7 The dwellings hereby permitted shall be single storey only.
- 8 The development hereby permitted shall not be occupied until spaces for cars to be parked and for vehicles to turn so that they may enter and leave the site in forward gear have been laid out and hard surfaced in accordance with the details to be submitted to and approved by the Local Planning Authority.
- 9 No works to the construction of the dwellings hereby permitted shall be begun before the existing buildings have been demolished and removed from the site.
- 10 Prior to the commencement of any development, a scheme for the provision of foul and surface water drainage shall be submitted and agreed in writing with the Borough Planning Authority. The works/scheme shall be constructed and completed in accordance with the approved plans.

The Reasons being:-

- 1 Required to be imposed pursuant to Section 92 of the Town and Country Planning Act 1990.
- 2&3 This permission is granted under Article 7 of the above mentioned Order on an outline application and the conditions are imposed to enable the Borough Planning Authority to retain control over the siting and external appearance of the buildings, the means of access and landscaping of the site, in the interests of amenity and road safety.
- 4 & 5 In the interests of the character and appearance of this area.

Part II - Particulars of decision

The Council hereby gives notice in pursuance of the Town and Country Planning Act 1990 that **permission has been granted** for the carrying out of the development referred to in Part I above in accordance with the application and plans submitted **and as modified by the letter received 19.8.99 and revised plan received 18.10.99** subject to compliance with the following conditions :

- 1 The development hereby permitted shall be begun within five years from the date of this permission.
- 2 Prior to development commencing, full details of the external facing and roofing materials shall be submitted and approved in writing by the Borough Planning Authority.
- 3 Prior to development commencing, a scheme for the landscaping, at a scale of not less than 1:500 and showing the north point, of the development shall be submitted to and approved in writing by the Borough Planning Authority. The scheme shall include details of all existing trees and hedgerows on and abutting the site and those which are to be removed (if any). All planting seeding and turfing shown on the approved scheme should be completed within 12 months of the commencement of the building operations (or such other period or phasing arrangements as may be agreed in writing by the Borough Planning Authority). Any plants which within a period of 5 years from the completion of the development die or are removed or become seriously damaged or diseased shall be replaced in the following planting season with plants of the same species and size.

Continued

- 4 The trees and hedges shown on the approved plan to be retained shall be protected from damage before and during construction works by, for trees, the erection of fencing at the furthest extent of the canopy plus 1 metre of half the height of the tree whichever is the greater and for hedges by the erection of a fence 2 metres from the centre line of the hedge or spread, whichever is the greater or such other position as may be agreed in writing with the Borough Planning Authority. This fence shall either be:
- (a) 1.2 metre high chestnut paling to BS1722 pt 4 securely mounted on 1.2 metre high timber posts driven firmly into the ground.
 - (b) 2.4 metre high heavy duty hoarding securely mounted on scaffold poles.
 - (c) Some other means which shall previously have been agreed in writing by the Borough Planning Authority.
- At no time shall the area within the fence be used for storage of any sort or have its ground level altered or interfered with in any way without the prior written approval of the Borough Planning Officer.
- 5 Before the occupation of the development hereby permitted the access and any parking area should be laid out, surfaced and drained to the satisfaction of the Borough Planning Authority.
- 6 During the development facilities shall be provided to enable vehicle wheels to be cleaned prior to the vehicle entering the public highway. Such facilities shall be used as necessary to prevent extraneous material being carried onto the highway.

The Reasons being:-

- 1 Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.
- 2 To enable the Borough Planning Authority to consider such details in the interests of visual amenity.
- 3 To ensure that the development is properly landscaped in the interest of visual amenity of the locality.
- 4 In the interests of visual amenity and to ensure the retention of trees and hedgerows which make a significant contribution to the local environment and which will enhance the premises of development.
- 5 To ensure the satisfactory provision of access and parking arrangements in the interests of highway safety.
- 6 In the interests of highway safety.

Part II - Particulars of decision

The Council hereby gives notice in pursuance of the Town and Country Planning Act 1990 that **permission has been refused** for the carrying out of the development referred to in Part I hereof for the following reason:

- 1 The proposed development if permitted would result in an incongruous form of development which would unacceptably harm the character and appearance of the street scene. As such the proposal conflicts with policy CS.2 of the Norfolk Structure Plan and policies 4/18 and 9/22 of the King's Lynn and West Norfolk Local Plan.

Part II - Particulars of decision

The Council hereby gives notice in pursuance of the Town and Country Planning Act 1990 that **permission has been granted** for the carrying out of the development referred to in Part I above in accordance with the application and plans submitted subject to compliance with the following conditions :

- 1 The development hereby permitted shall be begun within five years from the date of this permission.
- 2 This permission relates only to the demolition of those areas clearly indicated to be demolished on the approved plan. All other parts of the building shall be adequately supported before and during the works to prevent collapse and be incorporated into the building as altered.
- 3 The new areas of walling to be incorporated into the building shall be constructed using materials, bonding techniques, coursing and other detailing to precisely match those of the existing building. Any other materials or detailing shall previously have been agreed by the Borough Planning Authority in writing.
- 4 Before the occupation of the development hereby permitted the access and any parking area shall be laid out, surfaced and drained.
- 5 Notwithstanding the provisions of the (Town & Country Planning (General Permitted Development) Order 1995 (or any Order revoking and re-enacting that Order), no development under the provision of Schedule 2 Part 1 and 2 shall be carried out without the prior permission of the Borough Planning Authority having been granted on a specific application.

The Reasons being:-

- 1 Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.
- 2 To define the terms of the consent and in the interests of the amenities of the area and the contribution which the building makes to those amenities.
- 3 To maintain the character of the building and its contribution to the Conservation Area.
- 4 To ensure the satisfactory provision of access and parking arrangements in the interests of highway safety.
- 5 To enable the Borough Planning Authority to consider such details in view of the limited size of the curtilage and the likely affect such development could have on the occupiers of adjacent properties.
