**TOWN AND COUNTRY PLANNING ACT, 1971**

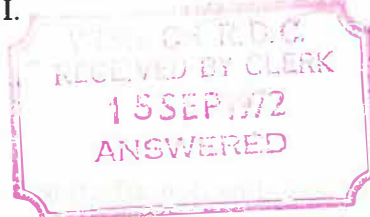

(Sec. 40)

Application by a statutory undertaker for a direction as to deemed planning permission

R	DEPARTMENT
C	
D	
Ref. No. ....	
Authorisation Ref. No. ....	

## PART I.

To the Department of Trade and Industry,  
(Electricity Division),  
Thames House South,  
Millbank,  
London, S.W.1.

**Application is made** for a direction that permission shall be deemed to be granted pursuant to Section 40 (1) of the Town and Country Planning Act, 1971, for the undermentioned development to be carried out by The Eastern Electricity Board, for which authorisation within the meaning of Section 40 (3) and 226(2) of the said Act has been requested from your Department.

1. Particulars of proposed development. **11000 volt overhead line supported on wooden poles for Supply to Creek Pumping Station, March as shown on the attached drawing No. C/1203/2 Issue A, Subject to a reasonable deviation, as may be found necessary, such deviation not to exceed 25 metres on either side.**
2. Particulars of any representations which have been made to the applicants objecting to the proposals.

None

12th September, 1972

Signed

For and on behalf of The Eastern Electricity Board

## PART II.

Planning Reference No. WR/72/239/F

1. Names of interested parties consulted as to the proposals with details of any observations received.

Wisbech Rural District Council: No representations.

County Surveyor as Local Highway Authority: This proposal does not affect a County road.

Middle Level Commissioners: Have already been in contact with Eastern Electricity Board and have no adverse comments to make.

Land Commissioner: No objection

2. Particulars of any representations which have been made to the local planning authority objecting to the proposals.
3. If the proposals would require consultation in accordance with Article 9 (1) of the Town and Country Planning General Development Order, 1963, insert the observations of the Divisional Road Engineer of the Department of the Environment.

4. Particulars of any direction restricting the grant of permission for the proposed development given by the Secretary of State for the Environment under Article 9 (2) of the Town and Country Planning General Development Order, 1963.

5. Particulars of any direction restricting the grant of permission for the proposed development given by the Secretary of State for the Environment under Article 8 of the said Order.

6. Particulars of any direction affecting the proposed development given by the Secretary of State for the Environment under Section 31 of the Act.

7. The proposed development ~~does not~~<sup>does</sup> involve the demolition, alteration, or extension of a building included in a list compiled or approved under Section 54 of the Act.

8. Do the local planning authority object to the proposed development in principle? (If so, state reasons).

9. Are the local planning authority prepared to approve the proposed development subject to modifications or conditions which are not acceptable to the applicants? (If so, specify the modifications or conditions proposed).

10. Do the local planning authority approve of the proposed development as described, or approve of it subject to modifications or conditions which are acceptable to the applicants? (If the latter, specify the agreed modifications or conditions, so as to enable the authorising department to include them in their direction).

Approved as submitted.

15th December, 72  
19.....

*Widdell Harris*  
Signed .....

Clerk of the Cambridgeshire and Isle of Ely County Council.

(Local Planning Authority for the area in which the proposed development is to be carried out).

Two copies of this form should be returned by the Local Planning Authority to the applicants for submission by them to the authorising department, unless the answer to any of 5, 6, 7, 8, or 9 above is affirmative, when the Local Planning Authority should send three copies of it to the *Secretary, Department of the Environment, Whitehall, London, S.W.1* who will forward two copies to the authorising department.

(When sending the form to the Department of the Environment, the Local Planning Authority must send a copy of Part II as completed by them, to the applicants.)

COUNTRY PLANNING DEPARTMENT  
17 DEC 1972

ELECTRICITY (SUPPLY) ACT, 1919 (SECTION 21)  
PROPOSED PLACING OF OVERHEAD ELECTRIC LINES

To The Minister of Technology

Part I

(To be completed by the local authority and sent to the local planning authority  
for the area in which the proposed works are to be carried out)

1. The Wisbech Rural District Council  
have considered the attached application dated September 1972  
made by the Eastern Electricity Board for a direction as to deemed planning permission  
under section 41 of the Town and Country Planning Act, 1962, for the placing of over-  
head electric lines at Creek Pumping Station, March.  
and have the following representations to make regarding the proposed works:  
no

.....

.....

.....

do not desire

2. The said Council do not desire to be heard, in pursuance of section 21 of the  
Electricity (Supply) Act, 1919, before the Minister of Technology gives his consent to  
the placing of the said lines.

11th December, 19 72. Signed Alan Grant

pp The Clerk of the ..... Council

Part II

(To be completed by the local planning authority)

1. The Cambridgeshire and Isle of Ely County Council  
refer to their observations set out in Part II of the above-mentioned application for a  
direction as to deemed planning permission, and do not desire to be heard, in pursuance  
of section 21 of the Electricity (Supply) Act, 1919, before the Minister of Technology  
gives his consent to the placing of the said lines.

15th December, 19 72. Signed .....

The Clerk of the Cambridgeshire & Isle of Ely County Council

NOTE

This form should be attached to one copy of the relevant application  
for a direction as to deemed planning permission and should be sent to  
the Minister of Technology through the same channels as that application.
