Meet at Beulah Street car park (29 Beulah St, King's Lynn PE30 4DN)

Come and join Sonia Reveley for a walk around the Salters Sanctuary area to look for bats. We will have special bat detectors to allow us to listen out for the bats as they fly around hunting for insects and a moth trap.

Admission is free. Book a place with: Sam.Garrod@West-Norfolk.gov.uk.

The route will include some inclines and uneven path. Children under 16 must be accompanied by an adult. It is recommended to bring a torch and wrap up warm. Dogs are welcome as long as they are kept on lead.
