

# **BOROUGH COUNCIL OF KING'S LYNN AND WEST NORFOLK**

## **REVIEW OF POLLING DISTRICTS AND POLLING PLACES**

### **RETURNING OFFICER'S FURTHER COMMENTS**

As Returning Officer I have noted that the Council is undertaking a review of Polling Districts and Places.

As regards the suitability of proposed Polling Stations with respect to:

- Access for all electors including those with any disability
- Facilities for the required staff, tables, booths and notices

I consider all existing and proposed Polling Stations to be satisfactory.

Following representations received, I note that Council

1. is minded to amend the Polling District Review Schedule to create a new Polling District for the Minster Court part of Fairstead (PD2) and amend the description of the area of the Polling Place to allow those electors to vote in person at the Polling Station currently held at Minster Court for Springwood electors.
2. will leave further consideration of changing the area of the Polling Place for Springwood (PA1) until the Returning Officer can consult with a sample of that electorate as to a preferred Polling Station venue. This will be taken forward May 2019-January 2020 in readiness for the finalisation of the Review.
