

# **BCKLWN Local Plan Review - Consultation Draft Stage**

## **Guidance Introduction**

The Local Plan in the Borough currently consists of the Core Strategy (adopted in 2011) and the Site Allocations and Development Management Policies Plan (SADMP, adopted in 2016). These two documents have been reviewed and the new combined draft document sets out a strategy and detail for delivering growth in the Borough, identifying where development should be located and how it should be delivered up to 2036. The Review Plan sets out the policies which the Council will use to determine planning applications alongside those contained in made Neighbourhood Plans. It will also identify sites for housing, employment and other land uses through 'site allocations'.

The Local Plan Review combines the Core Strategy and the SADMP and updates it to a 2036 end date. Policies have been reassessed, suitable new sites proposed and offered for comment in this consultation.

The Local Plan Review Document is published in order for comments to be made prior to submission.

## **General Advice**

If you wish to make a comment, or suggest a change to the Draft Local Plan or part of a Draft Local Plan, you should try to support your comments with evidence. It will be helpful if you also say precisely how you think the Plan should be changed. Comments should cover succinctly all the information, evidence and supporting information necessary to support/justify your comments and the suggested changes.

Where there are groups who share a common view on how they wish to see a Plan changed, it would be very helpful for that group to send a single representation which represents the view, rather than for a large number of individuals to send in separate representations which repeat the same points. In such cases the group should indicate how many people it is representing and how the representation has been authorised.

**Comments can be made from the 04 March 2019 until 5pm on 15 April 2019.**
