Statement by the local planning authority that the Holme-Next-Sea Neighbourhood Plan meets the basic conditions.

The draft Holme-Next-The-Sea Neighbourhood Plan was considered by the Borough Council of King's Lynn & West Norfolk. On behalf of the Borough Council it was agreed by Geoff Hall the Executive Director (Environment and Planning) in consultation with the Portfolio Holder Cllr Richard Blunt, that the amended Holme-Next-The-Sea Neighbourhood Plan in the spirit of the Examiner’s recommendations meets the basic conditions, and that, so modified, it should proceed to a local referendum covering the area of Holme-Next-The-Sea Parish.

The Borough Council Decision Statement in full can be read on the following pages:

https://www.west-norfolk.gov.uk/info/20127/neighbourhood_plans/760/holme-next-the-sea_neighbourhood_plan

The Draft Neighbourhood Plan has now been so amended, and thus the Borough Council is satisfied that the Draft Neighbourhood Plan being presented in the referendum meets the basic conditions set out in paragraph 8(2) of Schedule 4B of the Town and Country Planning Act 1990 (as amended).

1. Introduction

1.1 The Town and Country Planning Act 1990 (as amended), states that the Council has a statutory duty to assist communities in the preparation of neighbourhood development plans and to take the plans through a process of examination and referendum.

1.2 The Localism Act 2011 (Part 6 chapter 3) details the Local Planning Authority’s responsibilities under Neighbourhood planning.

1.3 This Decision Statement confirms that the modifications proposed by the examiner’s report on the whole have been accepted. Accordingly the draft Holme Next the Sea Neighbourhood Plan has been amended taking into account these modifications, and the Borough Council has reached the decision that the Holme next the sea Neighbourhood Development Plan may proceed to referendum.

2. Background

2.1 The Neighbourhood Area of Holme next the Sea Parish was designated on 21/04/2016. The Neighbourhood Area corresponds with Parish boundaries for Holme next the Sea Parish Council. The Holme Next the Sea Neighbourhood Plan has been prepared by Holme Next the Sea Parish Council. Work on the production of the plan has undertaken by members of the Parish Council and the local community, since 2016.

2.2 The Plan was submitted to the Borough Council of King’s Lynn and West Norfolk and the consultation under Regulation 16 took place between 30/09/2019 – 11/11/2019. As part of this the plan was publicised and representation invited.
2.3 In September 2019 Independent Examiner Ann Skippers was appointed by the Borough Council with consent of the Parish Council, to undertake the examination of the Holme-Next-The-Sea Neighbourhood Plan. This culminated in the Examiner’s Report being issued on 27/01/2020.

2.4 The Examiner’s Report concludes that subject to making the modifications recommended by the examiner, the plan meets the basic conditions as set out in legislation and should proceed to a Neighbourhood Planning Referendum.

2.5 Having carefully considered each of the recommendations made within the Examiner’s Report and the reasons for them, the Borough Council (in accordance with the 1990 Act Schedule 48 paragraph 12) has decided to make the modifications to the draft plan referred to in Section 3 below to ensure that the draft plan meets the basic conditions set out in legislation.

The Parish lies entirely within the catchment of the River Hun – one of a number of internationally rare chalk streams in Norfolk and a priority habitat for conservation under Section 41 of the NERC Act. A catchment plan for the Hun has been produced by the Norfolk Rivers Trust in collaboration with the Environment Agency (<a href="https://norfolkriverstrust.org/wpcontent/uploads/2019/02/River_Hun_CatchmentPlanOnlineCopy.pdf">https://norfolkriverstrust.org/wpcontent/uploads/2019/02/River_Hun_CatchmentPlanOnlineCopy.pdf</a>) and this recognises the need for improvements to a catchment that supports internationally recognised wildlife conservation sites. NDP research carried out with the Norfolk Rivers Trust has highlighted significant additional problems associated with water quality. There is a clear need for future work on the catchment which might be carried forward under the auspices of the North &amp; North West Norfolk Catchment Partnership. The NDP team has in fact worked very closely with the Norfolk Rivers Trust to help develop HNTS 24 Water Resource Management Policy that applies to the Hun and its catchment.”</td>

4. Decision

4.1 The Neighbourhood Planning (General) Regulations 2012 requires the local planning authority to outline what action to take in response to the recommendations that the examiner made in the report under paragraph 10 of Schedule 4A to the 1990 act (as applied by Section 38A of the 2004 Act) in relation to a neighbourhood development plan.

4.2 King’s Lynn and West Norfolk Borough Council have carefully considered each of the recommendations made in the examiner’s report and the reasons for them and have decided to accept the modifications to the draft plan.

4.3 Following the modifications made, the Holme-Next-The-Sea Neighbourhood Development Plan will meet the basic conditions:

- Having regard to national policies and advice contained in guidance issued by the Secretary of State, it is appropriate to make the plan;
- The making of the neighbourhood plan contributes to the achievement of sustainable development;
- The making of the neighbourhood plan is in general conformity with the strategic policies contained in the King’s Lynn and West Norfolk Local Plan - Core Strategy (2011) and Site Allocations and Development Management Policies Plan (2016);
- The making of the neighbourhood plan does not breach and is otherwise compatible with EU obligations; and;
- The making of the neighbourhood plan is not likely to have a significant effect on a European site either alone or in combination with other plans and projects.

4.4 It is recommended that the Holme-Next-The-Sea Neighbourhood Plan progresses to referendum. Consideration has been given as to whether the area should be extended beyond that of the neighbourhood area. The Borough Council concurs with Examiner’s conclusion that nothing has been suggested which would require an extension of the area beyond that originally designated (21/04/2016).
