

## Appendix 4 Important and Iconic Views

The views described below and shown on the map are all important in defining the essential character and identity of Thornham.

MAP NUMBER	DESCRIPTION OF THE IMPORTANT AND ICONIC VIEW
1	Looking north-east over the village and saltmarsh from higher ground on the unnamed road between Drove Orchards and Thornham Road
2	Due north and north-east: the Hall and its parkland setting and the village beyond from Ringstead Road
3	North-west over the village and saltmarsh from the Choseley Road
4	Due east along Ship Lane towards the Lifeboat Inn
5	Due north towards the harbour along Staithe Lane
6	Due south-east from the harbour and sea-wall across the marsh towards the village and the church
7	Due north over the salt marsh towards the harbour
8	South-east from the old sea-wall between Staithe Lane and Marshside
9	Due north from the old sea-wall to the north of The Green
10	Due south from the old sea-wall to the north of The Green towards Marsh House
11	Due north from The Green.
12	Due north-west from the foot of Church Lane across the Common towards the marshes and Coal Barn and harbour
13	Due south along Church Lane, cottages, Manor and church
14	All Saints' Church, the Green and Phone Box outside the Orange Tree
15	The Churchyard from the High Street and from Church Lane
16	Due north across the meadows and towards the marshes from the High Street near Green Lane and Castle Cottages
17	View south and south-west from the Village Hall and playing field
