#### Summary of Comments:

Please be as precise as possible as to why you support or object to the evidence and/or any suggested main modifications to the Plan contained in the document, providing the relevant paragraph and/or policy number for each point.

The major concern for local residents is that as the population of the area expands the infrastructure does not. Hunstanton has seen a considerable number of dwellings built in the last 5 years, but a decline in the number of doctors, banks, solicitors & quality retail outlets. Dental provision has remained the same. There is little point in giving planning permission for new houses unless infrastructure grows proportionally.

(Continue on a separate sheet if necessary.)

Please note you should cover succinctly all the information, evidence and supporting information necessary to support/justify your comments.
