Good Morning [REDACTED]

I have examined the table within [https://www.west-norfolk.gov.uk/download/downloads/id/7907/klwn\\_final\\_gtaa\\_report\\_-\\_june\\_2023.pdf](https://www.west-norfolk.gov.uk/download/downloads/id/7907/klwn_final_gtaa_report_-_june_2023.pdf)

Regarding Gypsy and Traveller accommodation needs, I am horrified to note that The Elms South Creake has apparently permission for 10 undeveloped pitches, this area of land has been under appeal numerous times and enforcement and has been deemed to be abandoned it has been a source of considerable nuisance to local residents how has this happened?

There are also many other inconsistencies for South Creake alone, The Jays has permission for 3 static and 5 temporary, Whitegates was never given a number for permission is down as one and is absolutely full, Oak Tree caravan site has permission for 6 I think, The Oaks has one and is not mentioned but the main area of concern is The Elms which we would like an answer on please.

Best Wishes Lorna Goodall
