

Borough Council of King's Lynn & West Norfolk

Members' Allowances Scheme 2025/29

MEMBERS' ALLOWANCES SCHEME

The Borough Council of King's Lynn and West Norfolk, in exercise of the powers conferred by the Local Authorities (Members' Allowances (England)) Regulations 2003, makes the following scheme:

1. The Scheme

This Scheme, which is called the Borough Council of King's Lynn and West Norfolk Members' Allowances Scheme, was originally adopted commencing on 23 October 2003 and was approved for subsequent years.

The allowances payable through the scheme will be subject to an annual inflationary increase in line with the percentage increase in staff salaries based on Spinal Column Point 43.

2. In this Scheme

"Councillor" means an elected member of the Borough Council of King's Lynn and West Norfolk.

"Year" means any period of 12 months ending on 31st March.

Only those allowances permitted by this scheme are payable to Members of the Borough Council of King's Lynn and West Norfolk and any Co-optees appointed by the Council.

3. Basic Allowance

Subject to paragraph 9, which deals with part year entitlements, a Basic Allowance will be paid in monthly instalments to each Councillor each year. The current rate is shown in Appendix A.

4. ICT Allowance

An ICT Allowance (current rate shown at Appendix A) is paid, in the same way and as a supplement to Basic Allowance, as a contribution towards costs Councillors may incur for the provision of home office facilities. Items covered might be broadband, mobile data, a printer plus ink and paper, etc. Each Councillor has the option to decide how best to spend this allowance

5. Special Responsibility Allowances

Each year a Special Responsibility Allowance will be paid to those Councillors who hold the special responsibilities that are specified in Appendix A.

Subject to paragraph 9, the amount of each allowance will be the amount specified in Appendix A.

A Councillor is only eligible to receive one Special Responsibility Allowance.

6. Carers Allowance

A carers allowance will be paid towards the cost of care of dependent relatives (be they

children, elderly people or people with disabilities). The amounts that can be claimed must reflect the sum incurred in employing a carer to enable a Councillor to carry out their Council work (as defined by point 7 of the Local Authorities (Members' Allowances) (England) Regulations 2003. The maximum claim levels are shown in Appendix B. All claims must be accompanied by evidence that the amount claimed has been incurred in employing a carer. A carer will be any responsible adult. Medical evidence must be provided for the need to pay the higher rate of allowance.

7. Co-Opted Members

Co-opted members are entitled to claim travelling, subsistence and carers allowances at the rates set out within this Scheme. A Co-optees Allowance is payable as determined by the Council. Any such allowances are shown in Appendix A.

8. Renunciation

A Councillor may elect to forego any part or all of their entitlement to an allowance under this Scheme by notifying the Democratic Services Manager in writing.

9. Part-year entitlements

If, during the course of a year:

- this Scheme is amended;
- or the amount payable is changed;
- or a Councillor becomes, or ceases to be, a Councillor;
- or a Councillor accepts or relinquishes a special responsibility for which a Special Responsibility Allowance is payable (eg from Annual Council)

entitlement to allowances will be calculated pro-rata **in accordance with the Regulations**, i.e. by reference to the number of days in the year in question. A year, for the purposes of this scheme, commences on 1 April.

If changes are made to the allowances Members are entitled to receive, the allowance payable will be that which was applicable when the duty was undertaken, with the exception of a backdated annual increase.

10. Travel Allowance

This allowance is intended to reimburse expenditure necessarily incurred on all journeys undertaken on approved duties as set out in Appendix B. Mileage allowances will be those recommended by HMRC.

A journey for these purposes will start and end at a Councillor's permanent place of residence, usually the one that was used to demonstrate that the Councillor qualified to stand as a candidate. This may be amended if a Councillor makes a permanent move within the Borough. Should the Councillor make a permanent move to a place outside the Borough he/she may only claim from the nearest Borough boundary to the location of the approved duty unless it results in a shorter journey, for example where the approved duty is located outside the Borough boundary. A Councillor may not claim from a location other than their home address unless it results in a shorter journey.

Private Vehicles

Where travel is by car, motorcycle or bicycle an allowance is payable and the conditions applying are as follows:

- (a) (for car or van only) a passenger supplement for official passengers is paid per passenger per mile, up to a maximum of 4 passengers;
- (b) Councillors will be responsible for ensuring that they have adequate insurance cover for business use and otherwise ensure that they have an appropriate licence to drive, that their vehicle has a current MOT and that vehicle tax has been paid at the time any journey is undertaken;
- (c) the rates payable are shown in Appendix B.

Hired Motor Vehicles (Taxi Cab)

The actual fee and any reasonable gratuity, will be paid in cases of urgency or where no convenient public service is available. Otherwise an allowance not exceeding the amount of the fare for travel by appropriate public service transport will be paid.

Hired Motor Vehicle (other than a Taxi Cab)

The actual cost of hiring for the period of Council duty will be paid.

Motorcycle

Travel by motorcycle will be reimbursed at the rate set out in Appendix B.

Bicycle

Travel by bicycle will be reimbursed at the rate set out in Appendix B.

Public Service Transport

By Bus

Actual fares paid will be reimbursed.

By Rail

Councillors should take advantage of low fares where possible but in any case standard class fare or actual fare paid (if less) will be reimbursed. Reimbursement of first class fare will be paid only where it is clearly in the Council's interest for a Councillor to travel first class and approval has been given in advance by the Chief Executive. Councillors may choose to travel first class travel at their own expense.

Councillors who are eligible to hold a Senior Citizens Rail Card and **regularly** travel by rail on formal Council business can purchase them specifically by prior agreement with the Democratic Services Manager and be reimbursed by the Council through the expenses claim mechanism.

Appropriate supplementary expenditure will be reimbursed such as seat reservation or a day ticket for travel on TfL London Underground.

Air Travel

Subject to the prior agreement of the Chief Executive that the saving in time justifies payment of the fare for travel by air, there may be paid an amount not exceeding:-

the ordinary fare or any available cheap fare for travel by regular air service, or

in case of urgency, the fare actually paid by the Councillor.

11. Subsistence Allowance

Subsistence allowances will be payable in connection with the carrying out of approved duties as set out in Appendix B and will be the same as, and linked to, the rates for officers. Allowances are only payable if expenditure has been incurred and any claim for subsistence must be supported by a receipt wherever possible. The circumstances in which this allowance is payable are as follows :

Meal Allowances

Breakfast Allowance - absence over 4 hours before 11.00am

Lunch Allowance - absence over 4 hours including lunch period between 12 noon and 2.00pm

Tea Allowance - absence over 4 hours including period 3.00pm to 6.00pm

Evening Meal Allowance - absence over 4 hours ending after 7.00pm.

Meals on Trains

When there is normal entitlement, as above, for day subsistence, the cost of main meals (i.e. breakfast, lunch, tea, dinner) taken on trains will be reimbursed. In such circumstances this reimbursement will replace the maximum entitlement to the day subsistence allowance for the appropriate meal provided receipts are submitted.

General

The time elapsed should be calculated on a "door to door" basis, but time spent on non-council business must be deducted.

Where a Councillor is provided with a meal the appropriate meal allowances cannot be claimed.

12. Duties performed for more than one body

A Councillor who is both a Borough Councillor and a Member of another local authority or public body may claim allowances from both authorities should he or she undertake two separate duties, one for each authority, on the same day. A member of the Borough Council who is also a member of another authority may not however claim from both authorities for undertaking the same duty. Councillors must take particular care to avoid duplication or overlap of claims for travelling and subsistence. Claims for duties undertaken for other Councils or public bodies should be sent to the Authority concerned and not included in claims on the Borough Council.

13. Official and Courtesy Visits

Provided they have been approved by the appropriate Council Body, official and courtesy visits by Councillors are eligible for travelling and subsistence claims at the rates set out in Appendix B if the journey is within the United Kingdom. If outside the United Kingdom, the travelling and subsistence expenses are limited to those which are reasonable in each circumstance.

14. Prior Approval

The appointment of a Councillor to a Panel, Committee, Sub-Committee or Working Group, etc, or as a representative of the Council on other bodies is deemed to satisfy the need for prior approval before a claim can be submitted.

15. Claims and Payments

A claim for travel, subsistence and carers allowances under this Scheme should be made each month, but in any event not less than quarterly. Councillors will be advised of the deadline for each month's payment and **Claims must be received by 12 noon on the day of the month so indicated** in order to be paid in that month.

Claims for travel, subsistence and carer's allowances should be claimed within 3 months of carrying out the duty or incurring the expense. Wherever possible Members should aim to submit claims within the relevant financial year, ie claims relating to a particular financial year should be submitted by the payroll deadline for April.

The basic, ICT and special responsibility allowances will be paid monthly in instalments of one-twelfth or the amount specified in this Scheme. Changes to entitlements part way through the scheme year will be calculated as set out in Paragraph 9 and will be adjusted in the earliest available pay run(s) following the change. NB. Changes agreed at Annual Council in May will not be paid until June and will be backdated to the date the appointment takes effect.

Where a Councillor ceases to hold office any overpayment of allowances will be sought by alternative methods **except in the case of death in office**, in which case no claim for overpayment of allowances will be made on the deceased's estate.

If claims are made erroneously they will be amended by the Democratic Services Manager, and the Councillor concerned will be informed.

If a Councillor has been inadvertently overpaid under the terms of this Scheme, that Councillor (or former Councillor if the person has ceased to be a Member of the authority) will be advised of the situation and arrangements will be made for the recovery of the overpayment.

Claims for reimbursement of expenses incurred, including mileage, must be accompanied by a VAT receipt. To be valid, a receipt must:

- be dated on or prior to the date of travel
- cover the whole miles travelled (the councils uses the calculation of eight miles to each litre of fuel)
- have a VAT registered number on it
- must be the original receipt and must not be marked 'this is not a VAT receipt'

Fuel receipts must be marked with the Councillor's name and claim month/s covered by the receipt and must be submitted in the month of the claim to the pink drop box in Democratic Services.

Subsistence claims submitted without a receipt will be subject to tax as applicable.

Councillors are reminded that responsibility for the accuracy and propriety of claims rests with the individual Councillor making the claim. The Council's Section 151 Officer reserves the right to audit Councillors' claims.

16. Records

A record will be kept of the payments made by the Council in accordance with this Scheme. The record will specify the name of the recipient and the amount and nature of each payment. This record will be available at all reasonable times for inspection (free of charge) by any local government elector for the Borough. The Scheme, together with current rates for each allowance, and amounts paid to each Councillor under the Scheme will be published on the Council's website. All such payments will be published annually and in the case of Travel, Subsistence and Carers' Allowances will be published monthly.

17. Income Tax and Social Security Provisions

All fixed allowances, i.e. those that do not rely on expenditure being incurred, are classed as a taxable emolument for PAYE purposes and income tax and National Insurance contributions will be deducted as appropriate. Other allowances such as business mileage are set within sums advised by HMRC as not liable to tax, including travel between home and the Town Hall where a Councillor's home is within 20 miles of the area boundary*. In the case of Subsistence and Carers' Allowances, these are paid as reimbursement of sums incurred whilst wholly, necessarily and exclusively engaged on Council business.

(*Home to Council Offices is taxable where a Councillor's home is more than 20 miles from the area boundary)

MEMBERS' ALLOWANCES – Income Tax and National Insurance Aspects

The amount of personal allowance and the bands that determine which rate is payable for tax purposes, and the rates of National Insurance contributions payable, varies in each tax year and Councillors are recommended to use gov.uk for this data, not least because there are too many variables to cover in this document. The rules for income tax are applied to the year that income was earned, not when it was paid, whereas National Insurance is due at whatever rate prevails at the time of payment.

Income Tax

Basic, Special Responsibility, Carers and ICT Allowances are classified as taxable emoluments under PAYE arrangements. Tax relief can be obtained for expenses incurred in the performance of the duties of a Borough Councillor to the extent that they are not specifically reimbursed. Councillors must liaise direct with HMRC in this regard.

Generally, expenditure incurred by Councillors in the course of their duties must have been wholly, necessarily and exclusively incurred and be supported by receipts however HMRC may consider partial tax relief for such things as household expenses because a Councillor's home is also his/her place of work.

It is up to each Councillor to negotiate any tax relief with HMRC as circumstances will vary person to person.

Income Tax will be deducted from Basic, Special Responsibility and Carers' Allowances at the rate as instructed by HMRC by way of issuing a tax code.

Councillors should bear in mind that the amount of tax due is determined by personal circumstances. HMRC will aggregate all taxable earnings and usually apply a personal allowance of tax free earnings to the main source. For example, a Councillor in other full time employment will be entitled to an annual tax free sum (personal allowance) which will be applied to those earnings. Councillor allowances will then be taxed in full at the standard or higher rate of tax, as appropriate.

Any enquiries relating to tax relief or any other tax query should be addressed to :

Pay As You Earn
HM Revenue & Customs

United Kingdom
Telephone number: 0300 2003300

This is a national call centre. Councillors in receipt of other taxable income such as a salary from their main place of work, a private pension or income from other sources are advised to have to hand their various HMRC reference or include them with any correspondence. The Council's reference is 531/W789

National Insurance

Basic, Special Responsibility and Carers Allowances also come within the definition of remuneration for National Insurance purposes. There are several defined limits relating to National Insurance below or above which no contributions are due. Payment of National

Insurance during a qualifying period also determines whether a Councillor qualifies for a variety of Statutory allowances such as Sick Pay and Maternity Pay. Where a Councillor does not qualify for such allowances there may still be other benefits that can be claimed.

Councillors in receipt of the state pension are not liable to pay National Insurance contributions. An exemption certificate or proof of age may be required to ensure such exemption is effected and a copy forwarded to Payroll.

National Insurance contributions are due on each qualifying employment. Councillors who have more than one employment or are both employed and self-employed may be able to apply to HMRC for a refund of National Insurance contributions paid over the annual maximum. This cap exists to ensure that broadly, a person with more than one employment does not pay more National Insurance contributions than a person with only one employment on the same earnings. This will apply if the combined earnings are over the Upper Earnings Limit, the threshold above which National Insurance contributions is payable at a lower percentage rate. (Councillors should apply for a refund not dispensation, National Insurance is payable on earnings over the Upper Earnings Limit but at a reduced %).

A reduced national insurance rate is payable by some married women and certain widows under age 60. Any member so entitled will already hold a "Certificate of Election" issued by the DSS and should be forwarded to Payroll.
