Memorials for Perpetuity

We are pleased to offer a range of memorials for perpetuity, this means there are no future lease costs after the initial payment, this creates the benefit of not having to worry when the lease is due for renewal and also reducing the burden placed on your family in the future. As well as being able to arrange these memorials at a time of need, these memorials can also be purchased in advance, guaranteeing your memorial location at today's price, we call this pre-need.
