Dear Michael

Docking Neighbourhood Plan Review : Regulation 16

Thank you for consulting us on the Submission Publication for the Docking Neighbourhood Plan.

We aim to reduce flood risk, while protecting and enhancing the water environment.

Due to ongoing prioritization of our limited resource, we regret that at present, we are unable to review this consultation. We must focus on influencing plans where the environmental risks and opportunities are highest.

In focusing our engagement to those areas where the environmental risks are greatest, we note that based on the environmental constraints within the area, we have previously not submitted detailed comments relation to this Neighbourhood Plan. We therefore have no further detailed comments to make in relation to this plan

We trust this advice is useful.

Yours sincerely,

Miss Emily Halliwell
