GUIDANCE NOTES ON THE REGISTRATION OF INTERESTS

1. Employment or business

A short description of any job or business carried on by you including any trade, profession or vocation including the name of your employer. You are required to declare any employment or business even if it is not within the Council's area. You are not required to declare what income you receive.

2. Sponsorship

The name of any person or body (except a local authority) who has helped you with expenses associated with your election or your duties as a Member. Sponsorship includes another person paying expenses which you would otherwise have to pay. Any payments and statutory allowances received from a local authority do not need to be declared.

3. Contracts with the Council

Brief descriptions of the nature and length of any contracts for goods, services or works which you have with the Council, either directly or as a partner in a firm that has such a contract or as a paid director of a company which has such a contract or other body, under which the authority is the provider or the recipient of goods, works or services, or if the contract is with a body which you have declared under the heading "Interests in companies and shares". This includes contracts with the Council even if the works, goods or services are for third parties, e.g. a voluntary organisation. Only contracts which have not been fully discharged need to be notified.

4. Land

Any land, or buildings in the area of the Council in which you have a beneficial interest (freehold or leasehold or a short tenancy), either of your own, or jointly with one or more other people. You have a beneficial interest in land if, for example, you own, you rent, you are entitled to the proceeds of, or you may, under a trust, become entitled to the proceeds of that land. This includes your home address if you own, lease or rent it. Excluded is land where you are a trustee for other people or where you are an executor or administrator of the estate of someone who has died and have no interest in the estate.

If you own land outside the area of the Council you do not have to declare it but if you receive an income from the land then in the 'Employment section' the property letting business should be declared, but it is not necessary to state where the property is.

"Land" for this purpose includes houses, buildings, and the interest of a mortgagee. It excludes drainage rights, rights of way, and other rights which do not entitle you (whether alone or jointly with others) to occupy the land or to draw income from it.

The requirement to register the interest of a mortgagee does not mean that if you have a mortgage on your house you have to declare it. 'Mortgagee' is the person who lends money to another on the security of a mortgage. If you are a mortgagee, you need to give the address or description of the relevant property, not the fact of the mortgage, or the name of the borrower.

The information required is the address of the land or (where, for example, it is land without any buildings on it) a brief description good enough to identify the location. If necessary please attach a map showing the location of the land or list the Ordnance Survey field numbers which apply.

5. Licences

Any licences that you have either on your own or jointly with others, or any permission that you have to occupy land (for example, as an allotment or for fishing or shooting) where the licence, or permission, will last for a month or longer.
